

There's No Stars Out Tonight; Words and Music by Jim Hughes. Written in 1975, one of my first Christian songs. Recorded Wednesday January 9, 2013. Copyright © 1996 Jim Hughes/2013 Tree Number 3 Publishing.

chorus:

G There's no stars out tonight, There's no stars out tonight
C There's no stars out tonight, **G** There's no stars out tonight
D There's no stars out tonight, **G** There's no stars out tonight

G (How) stars out tonight, (How's He gonna find you)
 stars out tonight (Oh **C** Baby)
 (How's He gonna **G** find you) stars out tonight
 (He'll be **D** knocking)
 (On your **G** door) stars out tonight —**chorus**

G I kept on searching around this world, I kept on searching like a tilt-a-whirl
 I **C** knew He'd find me one of those days, **G** searching for His saving grace
 I'd **D** given Him my life & Jesus **C** took me away with **G** Him

He took me in just like I was, a long haired boy, looked like Santa Claus,
 He **C** shook me down, turned me around,
G gave me the Spirit, put me back on the street
 and now I **D** got my Savior, **C** I'm a Jesus **G** Freak!

There's no stars out tonight
 There's no stars out tonight
 There's no stars out tonight
 There's no stars out tonight
 There's no stars out tonight
 There's no stars out tonight

(How) stars out tonight
 (How's He gonna find you) stars out tonight
 (Oh Baby) stars out tonight
 (How's He gonna find you) stars out tonight
 (He'll be knocking) stars out tonight
 (On your door) stars out tonight — REPEAT —

I kept on searching around the world
 I kept on searching like a tilt-a-whirl
 I knew He'd find me one of those days
 searching for His saving grace
 I'd given Him my life & Jesus took me away with Him

He took me in just like I was, a long haired boy
 looked like Santa Claus, He shook me down, turned me around,
 gave me the Spirit, put me back on the street &
 and now I got my Savior, and I'm a Jesus Freak!
