I choose, to follow You

When I'm confused, when I am sure
When I'm scared, when I am brave
With all my heart, with all my soul
with all my mind, with all my strength

I choose, to follow You (with all my heart)
I choose, to follow You (all my days)
I choose to worship You (worship You)
I choose to worship You (worship You)
I choose, to follow You
I choose, to follow You
